

OMNICOM'S ENGLISH FOR NURSING

- ✓ *Get linguistic preparation for CPRNE & CRNE exams*
- ✓ *Develop awareness of cultural issues and sensitivities of a Canadian workplace in a nursing setting*
- ✓ *Perfect your professional English*

- The English for Nursing program is designed for internationally-trained nurses and nursing students whose first language is not English
- The two-level comprehensive program will significantly upgrade your speaking, listening, reading, and writing skills in a medical milieu
- Learn formal, colloquial and idiomatic North American English associated with health-care
- Learn professional abbreviations and acronyms
- The focus of the program is firmly on communication, for example: communicating with colleagues, patients and their families; giving and receiving handovers professionally; using the telephone; working with medical documentation and much more
