

Omnicom Toronto

October 2011

Two Big Meetings

This month Omnicom Toronto met with Algoma University and Laurentian University about the Omnicom Pathway Program into their schools. Students had a chance to ask questions about new programs, to clarify uncertainties about admission and to learn what to expect while studying at these great schools. If you would like to ask us about the new programs that Algoma, Laurentian and Omnicom have to offer, please contact us at: Toronto@OmnicomStudy.com

Some of Omnicom's students were able to submit their applications directly to the university of their choice when the school representative was visiting us this month. More and more students from Omnicom are choosing and being accepted to Laurentian University.

October 2011

Omnicom Calgary

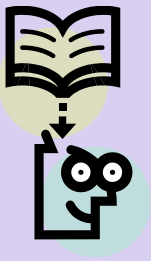

We have had a fantastic month at Omnicom Calgary. Here are just a few of the activities we participated in this month:

- Calgary Arab Film Festival
- Calgary Flames Ice Hockey
- Avril Lavigne Concert
- Foo Fighters Concert
- Wordfest
- Library Tour
- Reading Club

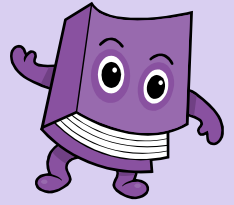

The Omnicom Halloween Party this Friday should be one for the record books! We will be carving pumpkins, playing games, eating snacks, and watching Halloween movies. We have over \$100 in prizes for games, costumes and pumpkins. Don't forget to check out next month's newsletter to see pictures!!

We are hoping for a warm evening for the Halloween Pub Crawl this Saturday. There will be over 500 people participating in the Crawl and students get free transportation by a Party Bus to four different clubs around the city. Should be fun!

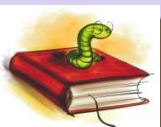

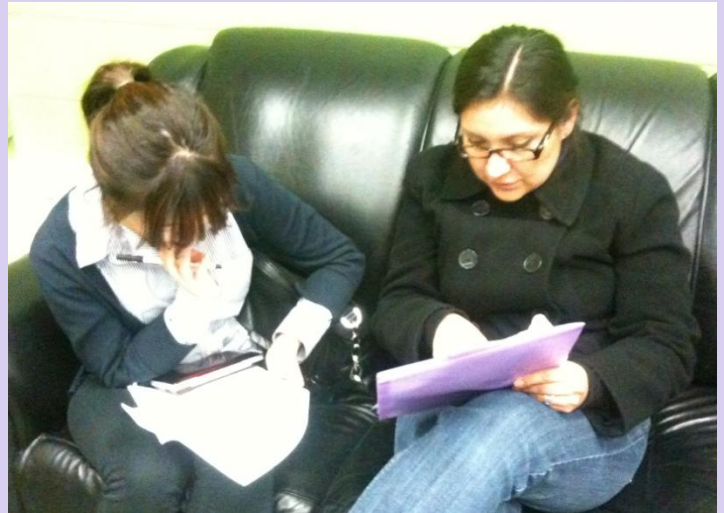

Omnicom Reading Club

Our Reading Club is a smashing success! We have eight students who are reading our book of the month:
Charlie and the Chocolate Factory by Roald Dahl.

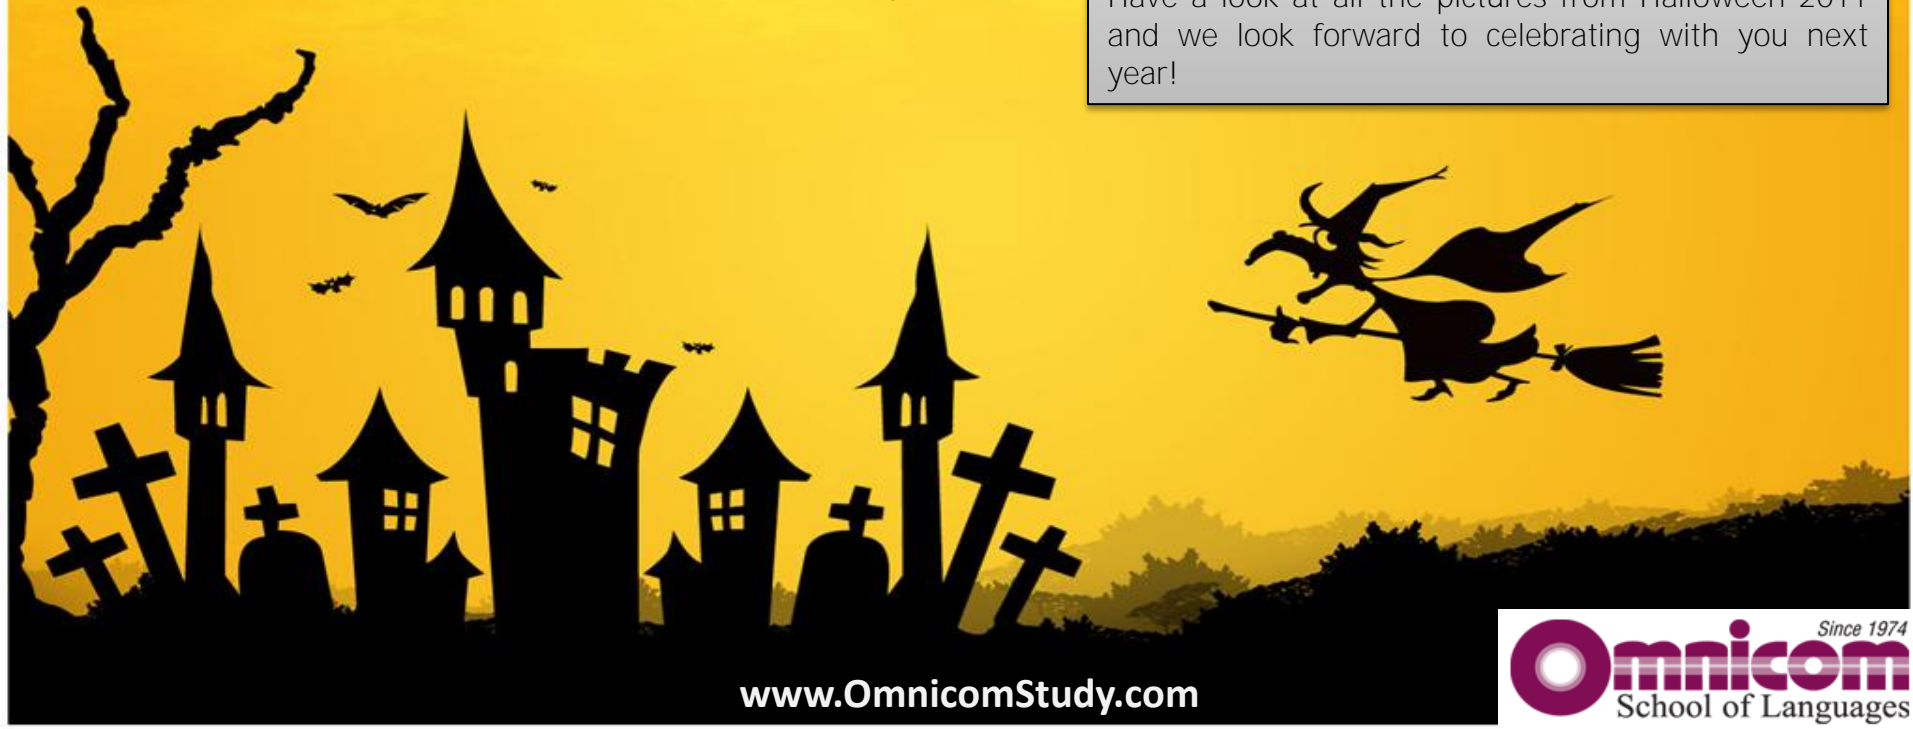

Halloween 2011

at Omnicom School of Languages – Toronto★Calgary

We had an incredible Halloween at Omnicom this year! We carved pumpkins, wore amazing costumes, played games, ate a lot of snacks and candy, listened to music and danced. Laughter and fun filled both the Toronto and Calgary schools. Students are still talking about it in the hallways this week!

Have a look at all the pictures from Halloween 2011 and we look forward to celebrating with you next year!
