What our students say about the school, teachers, and classes

"My favorite teachers were Clara, Fay and Robert because of their extraordinary teaching skills".

"I would recommend the school because of the personalized attention I got from its staff and teachers" .

"Omnicom has a kitchen where all the students have lunch together. It's great! We can talk to each other and learn from each other!"

News from our Calgary Campus

May was a month full of soccer excitement! Omnicom soccer players gathered once weekly to practice their skills, shots, and to learn how to play together.

On May 21st, Omnicom participated in their first soccer tournament playing against Maple Leaf Academy and Global Village. The turn-out was great as many fans and players came to support their teams. The teams were very evenly matched, which resulted in a similar record of 1-1-0 going into the final for each team. Because of the goal differential, Maple Leaf was eliminated which left Omnicom and GV playing for the top position. Omnicom finished first after winning a very close final game.

Here are the scores for all the games:

Omnicom 4 GV 2

Maple Leaf 5 Omnicom 3

GV 5 Maple Leaf 1

FINAL – Omnicom 4 GV 3

We would like to congratulate our Omnicom soccer team and fans on their first tournament win of the season! Hopefully this is just the first of many more to come.

Below are some pictures from the soccer tournament
