

Omnicom in June

The summer officially started on June 22, and Omnicom welcomed its first group for the Summer Program.

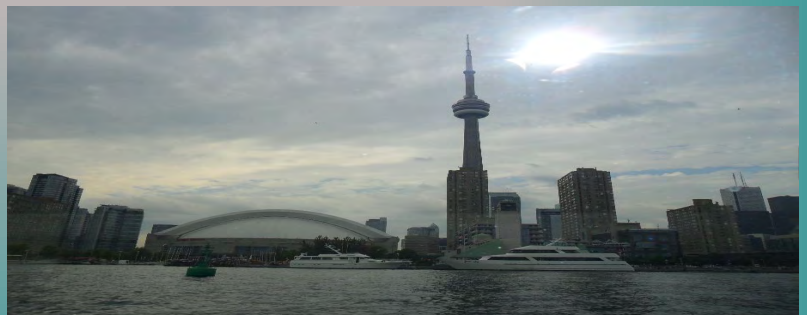

Toronto Sightseeing, Niagara Falls Tour, French Canada, Boat Cruises and much more were planned and are waiting! Of course interesting, educational, goal oriented, thematically planned classes prepared by our dedicated team of ESL professionals should not be excluded from the list.

But that's not all! Summer includes Omnicom's annual picnic.

This year we are hosting our picnic at Earl Bales Park.

Summer means Canada Day!

- This month , Omnicom replaced the books used for teaching Idiom classes. The new books have updated information, more communicating activities, more listening and a more practical approach to teaching idioms.
 - This summer Omnicom is proudly sponsoring Saudi Day in Toronto. The festival will take place on July 2 at Dundas square. We will post the pictures in our July issue.
 - Omnicom's Calgary Campus is proud to announce the launch of its IELTS Program. Even though the program has only been run for a few weeks, it is already a great success.

Canada Day Activity

This year students were not only introduced to some cultural features, historical facts and traditions, but also participated in a friendly competition. Each level wrote an acrostic about Canada. All of the poems were amazing, rich in vocabulary reflecting Omnicom Students' knowledge, discoveries, and future hopes for Canada.
