Omnicom's success events were Boat Cruise - the end of the season and French Canada tour.

Students' testimonials about our teachers:

I think Fay's class is very good: she is very organized, always gives a lot of examples, besides she has a very nice personality . It helped me a lot to improve my skills!

In the beginning I could not talk too much because I was very shy. But Fay taught me in a very kind way even when I was making mistakes. So now I am not that shy! I liked her class a lot!!!!

Thank you, my teacher Tom!!! This month was my first month in Omnicom but everybody was so friendly. I love
